

Making Buildings

That Make Our Builders The Best.

Mini-Storage

MESCO's standard storage systems are designed for easy installation and durability. The pre-fabricated, pre-engineered structures feature quality light-gauge steel, metal partitions, and are virtually maintenance-free. We have flexible floor plans to meet your needs and will provide complete erection drawings with your order.

MESCO storage systems are not only functional, but they look great as well. Our systems feature an easy, clean design and come in a variety of panel designs and colors. MESCO is proud to offer the following on all storage systems:

- Aesthetically pleasing appearance
- Standard and custom design options
- Fast and economical construction
- Ease of expansion
- Ongoing durability
- Reduced maintenance costs
- Long-term energy savings
